

AGRIC SENS

**-AGRICULTURE SPECIAL ENGINEERING SERVICES-
Effortlessly Provide CLEARED LAND for Agriculture
Development and CREATE SUSTAINABLE and
Meaningful Empowerment & at the same time
BUILD LEGACY!**

**JUST IMAGINE If a Single 3 MONTHS EQUIPMENT RENTAL
Package EQUALS 500 hectares of cleared farm land in one
location, EQUALS 5000 JOBS (1000 entrepreneurs + 4000
assistants); and the ONLY Requirements are
SURVEY DETAILS and A PAYMENT GUARANTEE**

- JUST IMAGINE the corresponding numbers if in multiple packages
- JUST IMAGINE that with only 1 number 3 months package the tax net will potentially increase by 5000 and what would happen to Internally Generated Revenue when the HARVESTS begin
- JUST IMAGINE the satisfaction that with little effort meaningful life changing opportunities for a number of people are created and their JOY and LIFE LONG Gratitude
- JUST IMAGINE the possibilities and opportunities that come with a local AGRIC SUPPLY CHAIN
- JUST IMAGINE the development and investment opportunities that could be attracted due to Reduced Despondency, Increased CITIZEN Pride Patriotism in an enabling operating ENVIRONMENT

**Meaningful and Sustainable Development starts on the foundation of
EMPOWERMENT by creating opportunities for CITIZENS TO CREATE WEALTH
FOR THEMSELVES and in this case AGRICULTURE for which CLEARED LAND
is a VERY IMPORTANT IMPERATIVE.**

Procurement of AGRIC SENS is Effortless

- Indication by letter of Intent to Procure with possible schedule and indicative locations
